Who's in your Sphere of Influence?

Step 1: IDENTIFY
Make your list of the 8-15 people God has placed in your Sphere of Influence.

Step 2: INTERCEDE
Pray daily for these people by name, asking God to reveal Himself and to use you as a light in their life.

Step 3: INVEST
Look for ways to intentionally interact with them.

Step 4: INVITE
Invite them to do life with you, including joining you in church related activities.

Step 5: INCREASE
Commit to growing as a disciple. After all, your actions speak louder than your words.
